RE: Application of Condor Environmental, Inc. for an Expansion of its Existing Service Area to Include Certain Portions of Spartanburg County and Approval of Agreement and Establishment of Rates and Charges.
2021-____ - S

Dear Ms. Boyd:

The Office of Regulatory Staff ("ORS") is in receipt of the Motion for Waiver filed with the Public Service Commission ("Commission") in the above referenced matter on or about June 7, 2021.

As to the requested waiver of S.C. Code Reg. §§103-512.4.B(11) and (12), ORS has no objection to the Commission waiving this regulation in order to allow for the filing of the proposed Application.

However, ORS would note this Application appears to request the establishment of new rates and charges. Therefore, the provisions of S.C. Code Ann. §58-5-240, including the thirty days' notice requirement of S.C. Code Ann. §58-5-240(A), also appear to apply to the Application.¹

Sincerely,

Jeffrey M. Nelson
